

Agape Prays and Believes!

March 2026

We're grateful for our prayer warriors and faithful supporters. We recently began sharing monthly praises and prayer requests with you. As you stand with us in prayer, we trust that Jesus will continue to do great things through Agape Gospel Mission and the lives we touch.

PRAISES!

Agape House NT Church - Ghana

God is moving mightily at Agape House, our headquarters church in Accra! New souls are being added to the church, and members are growing in faith and impact. Our weekly worship service attendance has reached its highest level ever.

Last month, we were also blessed to host the Vice President of Ghana during one of our Sunday worship services.

Please pray for Agape House this month as we host our annual **Friend Day weekend on March 21-22**. We are challenging all our members to bring someone with them to church. I will be preaching a salvation message, so please ask the Lord to touch hearts and bring in a great harvest.

PRAYER REQUESTS

Pray | Welcome Stephanie!

Last week, God brought a new little girl into our care. Her name is Stephanie, and she is two years old. She was rescued from the street where she had been living with her mentally challenged mother. It was a very sad and desperate situation. Living on the street with her unstable mother had been extremely difficult for little Stephanie.

When Stephanie arrived, she was not in good condition. Life on the street with her unstable mother had been very hard on little Stephanie. But she is already doing much better, and we are so blessed to have her with us. Please pray for her emotional healing and for a smooth transition to life at Agape Children's Home. Also ask God to deliver her mother from sickness.

Pray | Agape Church in the Middle East

I was recently able to speak with Pastor Selorm from our Agape Church in the Middle East, and encourage him in the Lord. (For security reasons, we cannot name the exact location.) He shared that bombs have been flying overhead and that he frequently hears explosions. Movement is restricted, and schools have been closed.

Nevertheless, we believe the Lord can use even this difficult situation to turn hearts to Jesus. Please pray for Pastor Selorm and our church members as they live through a perilous time in a Muslim-dominated Arab nation. Ask the Lord to comfort them, protect them, and open doors for them to share the Gospel with their neighbors.

Pray | Ghana Celebrates 69 Years of Independence

We have seen tremendous growth and development since we arrived 32 years ago. The Gospel has reached vast sections of the nation, and millions of Ghanaians are now following the Lord.

Yet there is still much work to be done. Please pray for new churches to be planted in areas of Ghana that still have no Gospel witness. Ask the Lord to bring awakening and revival to the youth—nearly **50% of the population is 18 years old or younger!**

And please pray for us at Agape Gospel Mission, that we will faithfully fulfill the mandate the Lord has given us and continue to impact our nation for eternity.

Thank you for standing with us in prayer as God continues His work through Agape Gospel Mission!
