

AGAPE TODAY

ALWAYS ROOM FOR ONE MORE

Dear Friends,

As the African proverb goes, “**There’s always room for one more**”, and we’re living out this truth at Agape Children’s Home and Agape Academy International.

We’re thrilled to share with you an exciting update regarding the expansion project for Agape Academy International. We remain focused on this effort, as the need is immediate and our ability to expand capacity becomes more crucial as each day passes. This is directly connected to our God-given mission to **RESCUE** orphans and impoverished children and raise them up to know and enjoy the Lord!

Make sure to read the testimony inside from Prince Terkpetey Teye. He’s living proof of how God is using the Home and Academy to make a huge impact on children’s lives!

Class in session at Agape Academy International

A New Property, A New Chapter

As reported in the last newsletter, we’ve secured a property adjacent to our current premises. This new property, with two buildings, will be renovated and modernized to provide additional classrooms and facilities.

Why This Expansion Matters

Our Academy is currently at full capacity, with a waiting list of students eager to join. Meanwhile, Agape Children’s Home is expanding its facilities to receive 80 new children into our residential care by December 31, 2026. It’s essential that we increase our educational capacity to provide quality Christ-centered education for these new children.

AGAPE ACADEMY INTERNATIONAL

PRINCE'S TESTIMONY

My name is Prince Terkpetey Teye. I come from Ashaiman, a poor town near Accra, Ghana. My mother passed away when I was an infant. My father passed away when I was three years old. I went to live with my grandmother, but she was unable to care for me.

God was so kind to me, and I was welcomed into residence at Agape Children's Home. I grew up at ACH, where I received shelter, food, clothing, love, and spiritual guidance. I attended Agape Academy and graduated from high school in 2020. I was then admitted to Kwame Nkrumah University of Science and Technology in Kumasi, Ghana, where I earned a degree in mechanical engineering.

Currently, I am working as an intern engineer at Japan Motors, a Nissan franchise in Ghana. This has been a valuable learning experience and an opportunity to apply my skills to optimize operations. This role has deepened my interest in the automotive field.

I am grateful to all the sponsors and donors who supported my education. Your generosity has profoundly impacted my life. Thank you for believing in young individuals like me.

How You Can Help

We've taken out a mortgage to purchase the property, but the interest rate is very high (which is common in Ghana). We're counting on your support to help us pay off the loan as soon as possible. Your donation will bring us closer to our goal of providing a brighter future for these deserving children.

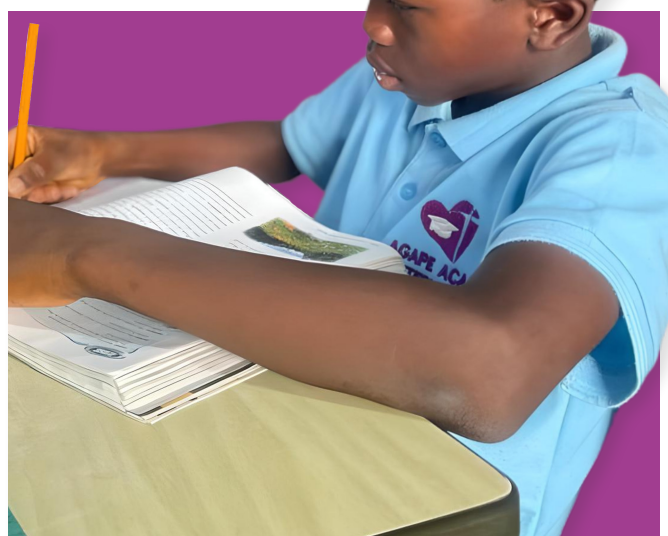

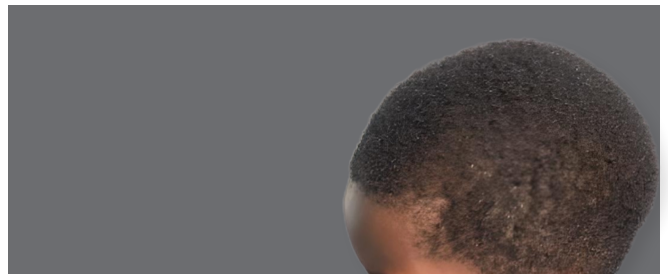

Project Details

- Total amount needed: \$440,000
- Amount raised so far: \$140,000
- Remaining amount needed: \$300,000
- Breakdown of funds:
 - \$240,000 to complete the purchase
 - \$60,000 to renovate the buildings

A Heartfelt Thank You

We're grateful for your unwavering support and trust in our mission. Your generosity has enabled us to

make a tangible difference in the lives of countless children. We're excited to embark on this new chapter and invite you to join us on this journey.

Prayerfully Consider Donating Today

Will you prayerfully consider donating to help us pay off the loan and bring this vision to life? Every gift, no matter the size, brings us closer to our goal.

Thank you for being an integral part of our mission. Together, we can provide a brighter future for the children of Agape Academy International.

Blessings,

Rick and Donna Whitcomb
