AGAPE TODAY

IN FULL SWING

DEAR FRIENDS

Greetings from Ghana! Our Fall is off to a great start, and we're excited to drop in and share a few updates with you on some of the awesome things God is doing at Agape.

Back on Track

Donna had back surgery at the end of August, and God brought her through safely and successfully. We are confident in the Lord that she will make a full recovery and be back on track in the ministry soon. She is making good progress, although it is challenging and sometimes painful. Nevertheless, we rejoice in the goodness of the Lord to see us through with His sustaining grace.

Please continue to pray for Donna - for strength and healing. We are at home in Ghana, and she is preparing to host our International Women's Conference in November.

RESCUED

We are so blessed to be given the privilege of caring for three special children who were rescued this month from a very abusive home situation. The Department of Social Welfare has placed the siblings with us at Agape Children's Home temporarily to care for them and keep them safe. Please pray for Khadijah (a 3-year-old girl), Al-Qassim (a 2-year-old boy) and Abdallah (a 7-month-old boy). Please pray for these precious kids to be healed from the trauma of the abuse they have suffered. Ask the Lord to bathe them in His love as we care for them and minister to them.

There is a court hearing scheduled for October 14 to determine the next steps for these children. The court could award custody to ACH and assign us to raise these three little children. Please pray that God will direct the court proceedings and decision.

LEAD CONFERENCE

We can hardly wait for LEAD Conference! LEAD is our annual teaching conference for Pastors, and it's happening this month from October 14 to 17. We already have over 1,000 Pastors and Church Leaders registered – and more are still signing up. Our goal is to equip church leaders with practical information to help them grow strong churches.

A large number of these leaders are coming from northern Ghana, where they face persecution and dangerous ethnic conflicts. We also have hundreds of Pastors coming from remote rural villages and poor communities. To encourage them, we've made LEAD completely free – and we house and feed the Pastors for four days.

Please join us in praying for all the men and women of God coming to LEAD Conference. Ask God to encourage and bless them, and to pour out His Spirit in our midst. Pray for our Guest Speakers as they bring teaching and ministry that will impact this generation and help us build strong churches.
